

JHADE TEXTILE CORPORATION S.A.C.

At JHADE TEXTILE CORPORATION S.A.C., we are dedicated to the manufacturing and export of knitted and woven garments for men, women and children.

We work with 100% pima cotton, organic cotton and blends with modal and other fibers. Additionally, we have extensive experience in printing, washing and embroidery techniques.

Our production oscillates between 3,000 y 5,000 pieces monthly.

VISION

We are a peruvian company dedicated to the production and export of garments according to our customers' specifications. We operate with social responsibility and respect for the environment.

MISSION

To be recognized as a trusted partner in our customers' supply chain, distinguished by our speed, excellent quality, and flexibility.

PRODUCT DEVELOPMENT AND FABRIC PRODUCTION

We supply knitted and woven products with a complete design capacity for yarn, fabrics, color, and applications. We have established strategic commercial relationships with suppliers of fibers, fabrics and dyeing services.
